The first regular annual meeting of the Members may be held, subject to the terms hereof, on any date, at the option of the Board of Directors; provided, however, that the first meeting may (if necessary to comply with Federal Regulations) be held no later than the earlier of the following events: (a) four months after all of the Lots have been sold by the Developer, or (b) three years following conveyance of the first Lot by the Developer.

Section 5. Acceptance of Development. By acceptance of a deed to a Lot, any purchaser of a Lot shall be deemed to have accepted and approved the entire plans for the Barnes Bend Estates Subdivision Development, and all improvements constructed by that date, including, without limitation, the utilities, drains, roads, sewers, landscaping, Common Area amenities, and all other improvements as designated on the plat and as may be supplemented by additional plats upon completion of development of any portion of the Subdivision. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Lot Owner at the time when the assessment fell due.

The personal obligation for delinquent assessments shall not pass to successors in title of said person unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Lot Owners, to provide for the maintenance of the Common Area, to pay the fees of any management agent the Association may employ to manage the affairs of the Association, and to pay other reasonable and necessary expenses of the Association including the repayment of any loans or advances from the Developer. An adequate reserve fund for the maintenance, repair, and replacement of items maintained by the Association pursuant to this section shall be established and funded by regular monthly payments.

Section 3. Maximum Annual Assessment.

(a) Until January 1, of the year immediately following the conveyance of the first Lot by Developer the maximum annual assessment shall be Two Hundred Forty and 00/100 Dollars (\$240.00) per Lot payable in quarterly installments on the first day of each quarter in the amount of \$60.00.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot by Developer, the maximum annual assessment may be increased each year by the Board of Directors by an amount not to exceed ten percent (10%) of the previous year's maximum annual assessment above the maximum assessment for the previous year without a vote of the Association membership.

(c) From and after January 1 of the year immediately following the conveyance of the first Lot to a Lot Owner, the maximum annual assessment may be increased above said percentage only by a vote of a majority of each class of the Association members who are voting in person or by proxy, at a meeting duly called for this purpose.

(d) The Board of Directors of the Association shall fix the annual assessment.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment to pay in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area,

including fixtures and personal property, if any, related thereto, provided that any such assessment shall have the assent of two-thirds (2/3rds) of the votes of each class of the Association members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Working Capital Fund. Each Owner of a completed residence in the Subdivision shall pay One Hundred Dollars (\$100.00) to the Association at the closing of the sale of the completed residence to such Owner. Fifty Dollars (\$50) of such fee is paid as a set up fee to the management company for the Association. Pending the transfer of Control, to the extent that the Association is unable to pay all costs of maintaining the Common Areas and administering the Association, Developer agrees that it will loan monies to the Association on an interest free basis to fund any such deficits. The amounts paid to the working capital fund by each Owner upon the closing of the sale of the completed residence to such Owner shall not be considered as advance payment of regular assessments. The working capital fund shall be held and disbursed for the following purposes in the order of priority:

- (a) To fund costs of maintenance of the Common Areas and administration of the Association that cannot be defrayed by assessments;
- (b) To reimburse the Developer for all amounts loaned by Developer to the Association to fund any operating deficits; and
- (c) To assure that the Association will have cash available to meet unforeseen expenditures or to acquire additional equipment or services deemed necessary or desirable by the Board of Directors.

Section 6. Lot Transfer Fee. A lot transfer fee of \$50 shall be charged to the buyer upon the sale or transfer of any Lot, except sales or transfers by or to a Builder or by or to an affiliate of a Builder and except transfers by deed in lieu of foreclosure or transfers by foreclosure. Such Lot Transfer Fee shall be assessed automatically, without action by the Board of Directors. All fees and assessments charged herein, whether for a specific sum of money or otherwise calculated, shall be deemed to be reasonable and necessary under the circumstances, as determined by a simple majority of the Board of Directors and ratified by the requisite votes of the classes of Owners.

Section 7. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article III shall be sent to all members not less than fifteen (15) days nor more than thirty (30) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast fifty percent (50%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required

quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. This procedure may be repeated with the required quorum reduced by half at each subsequent meeting until a quorum is achieved although in no event may the required quorum be less than 10% of the total votes eligible to be cast. No such subsequent meeting shall be held more than ninety (90) days following the preceding meeting.

Section 8. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 9. Date of Commencement of Annual Assessments Due Dates. The annual assessments provided for herein shall commence as to Lots not owned by the Developer on the first day of the first month following the closing of the transfer of the first Lot by Developer. As to Lots owned by the Developer, the annual assessments shall commence as to each Lot upon conveyance of such Lot by Developer except for a transfer in which Developer is transferring its rights as Developer. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Lot Owner subject thereto. The assessment shall be paid quarterly on the first day of each quarter by every Lot Owner or in such installments as shall be determined by the Board of Directors of the Association. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance. Notwithstanding anything to the contrary contained herein, assessments shall not commence as to any Lots owned by a Builder until the earlier of (i) one year following the closing date for the purchase of said Lot by Builder from Developer or (ii) the date of receipt of a certificate of occupancy for a single family residence on the Lot.

Section 10. Effect of Non-Payment of Assessments: Remedies of the Association. Any assessment not paid by the tenth (10th) day of the month in which it is due shall be subject to a late charge in an amount established by the Board of Directors of the Association and shall bear interest from the due date at the maximum rate allowed by applicable law. The Association may bring an action at law against the Lot Owner personally obligated to pay the same, or foreclose the lien against the Lot, and there shall be added to the amount of such assessment all collection costs, including reasonable attorney's fees, and the costs of bringing such action or foreclosure. No Lot Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 11. Subordination of the Lien to Mortgages. The lien of the assessments

on any Lot provided for herein shall be subordinate to the lien of any first mortgage now or hereafter placed on the Lot. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE IV

ARCHITECTURAL, MAINTENANCE, AND USE RESTRICTIONS

Section 1. Single Family Residential Construction. No building or other structure shall be erected, altered or permitted to remain on any Lot other than one (1) single family residential dwelling not to exceed two and one-half (2-1/2) stories in height which may have an attached private garage for a minimum of two (2) and a maximum of three (3) vehicles which structures shall not exceed the main dwelling in height. Each residence shall include an attached garage. The space within the garage may not be converted for use as living space or be for business purposes.

Section 2. Approval of Plans.

(a) No construction, reconstruction, remodeling, alteration, or addition of or to any structure, building, fence, wall, drive, or improvement of any nature shall be constructed on any Lot without obtaining prior written approval of an Architectural Committee composed of three (3) members as to the location, plans, and specifications therefore. Such committee may establish architectural "Design Guidelines" to establish minimum design principles and standards. Prior to the Transfer of Control, the Developer shall appoint the members of the Architectural Committee, and subsequent to the Transfer of Control the members of such Committee shall be appointed by the Board of Directors of the Association. As a prerequisite to consideration for approval, and prior to the commencement of the contemplated work, a Lot Owner shall submit to the Developer, or the Association's managing agent, as the case may be, such plans, specifications, and other information concerning the proposed improvements as the Architectural Committee may require from time to time as a condition for its review and approval thereof accompanied with such fee as the Association may require, and the Developer or such managing agent shall submit the same to the Architectural Committee for approval. All plans of proposed residences to be constructed in the Subdivision shall conform to the standards set forth in subparagraph (b) below and the restrictions and provisions contained in this Declaration, and the Architectural Committee shall be the sole arbiter of such plans and may withhold its approval for any reason, including purely aesthetic reasons. Upon approval being given, construction shall be started and prosecuted to completion promptly and in strict conformity with such plans, otherwise the approval shall be void. A reasonable fee may be charged by the Association to defray its costs incurred in considering and acting upon such proposed plans and specifications.

(b) Residences to be constructed within the Subdivision shall be sufficiently compatible with existing architectural styles that predominate in the development to assure a pleasing overall appearance and maintain its image as a high quality, single family, residential neighborhood. Existing structures will be considered but do not, as such, constitute precedent nor assure approval.

(c) Developer, the Architectural Committee, the Association and the individual members thereof shall not be liable for any act or omission in performing or purporting to perform the functions delegated hereunder. The Developer and/or the Association shall use their best efforts to indicate approval or disapproval of any plans submitted within thirty (30) days after the receipt of the required documents. Approval or disapproval by Developer or the Association shall not be deemed to constitute any warranty or representation by it including, without limitation, any warranty or representation as to fitness, design or adequacy of the proposed construction or compliance with applicable statutes, codes and regulations. Anything contained in this Section 2, or elsewhere in this Declaration to the contrary notwithstanding, Developer and the Association, and the Architectural Committee are hereby authorized and empowered, at their sole and absolute discretion, to make and permit reasonable modifications or deviations from any of the requirements of this Declaration relating to the type, kind, quantity or quality of the building materials to be used in the construction of any building or improvement on any Lot and of the size and location of any such building or improvement when, in their sole and final judgment, such modifications and deviations in such improvements will be in harmony with existing structures and will not materially detract from the aesthetic appearance of the Property and the improvements as a whole; provided, however, such modifications and deviations must remain within all applicable ordinances and regulations established by Davidson County.

Developer or the Association, as the case may be, may require the submission to it of such documents and items, including as examples, but without limitation, written requests for and description of the variances requested, plans, specifications, plot plans and samples of material(s), as either of them shall deem appropriate, in connection with its consideration of a request for a variance. If Developer or the Association, or the Architectural Committee shall approve such request for a variance, it shall evidence such approval, and grant its permission for such variance, only by written instrument, addressed to the Owner of the Lot(s) relative to which such variance has been requested, describing the applicable restrictive covenant(s) and the particular variance requested, expressing its decision to permit the variance, describing (when applicable) the conditions on which the variance has been approved (including as examples, but without limitations, the type of alternative materials to be permitted, and alternate fence height approved), and signed by Developer or the Association, as the case may be. Any request for a variance shall be deemed to have been disapproved for the purposes hereof in the event of either (i) written notice of disapproval from Developer or the Association or (ii) failure by Developer or the

Association to respond to the request for variance. In the event Developer or the Association or any successor to the authority thereof shall not then be functioning, no variances from the covenants herein contained shall be permitted, it being the intention of Developer that no variances be available except at its discretion or that of the Association or Architectural Committee. Neither Developer nor the Association shall have the authority to approve any variance except as expressly provided in this Declaration.

Section 3. Structural Compliance. All structures shall be built in substantial compliance with the plans and specifications therefor, approved by Developer or the Association as provided in Section 2 above.

Section 5. Re-subdivision of Lots. No Lot shall be re-subdivided, nor shall any building be erected or placed on any such re-subdivided Lot, unless such re-subdivision is approved by the Association, as well as any governmental authority having jurisdiction. Developer, however, shall have the right, but not the obligation, to re-subdivide Lots, by recorded plat or in any other lawful manner, all or any part of the Property, and such Lots, as re-platted, shall be subject to this Declaration as if such Lots were originally included herein. No side or rear fence, wall or hedge shall be more than six (6) feet in height except for the fence to be constructed on the exterior boundary of the Common Area. Prior to commencing the addition or modification of any wall or fence, plans for such improvement shall be submitted to the Architectural Committee as provided in Article IV, Section 2. Any wall, fence or hedge erected on a Lot shall be maintained by the Owner thereof except for the fence to be constructed on the exterior boundary of the common area. All fencing shall be constructed only of such materials and erected only on such Lots and in such a manner as shall be approved by the Association. Fences shall conform to the approved designs. No fence over 42" shall be constructed or maintained between a line eight (8) feet back from the front building or setback line and the street; provided, however, rear yard fences shall be western cedar planks scalloped design with gothic posts, six (6) feet high at the posts, five and one half feet at the scallop (5.5') and tie to the rear corners of the house. The planting of hedges, shrubbery or evergreens in lieu of a fence, and extending to the front or sides of any Lot is permitted, provided such planting shall not be maintained at a

Minimum roof pitch to be determined by Architectural Review Committee. The roof pitches on all homes shall be subject to the regulations of the Architectural Committee.

Section 8. Swimming Pools. Swimming pools shall be allowed only on Lots approved by the Association and shall be located at the rear of the residence. Section 11. Signs and Advertisements. No sign, advertisement, billboard or advertising structure of any kind shall be erected upon or displayed or otherwise exposed in view on any Lot or any improvement thereon without the prior written consent of the Association; provided that this requirement shall not preclude the installation by Developer of signs identifying the residential development and directions to model homes and homes for sale, and provided further that this requirement shall not preclude the placement by Owners or Builders of "For Sale" signs in the front of individual residences of such size, character, and number as shall from time to time be approved by the Association. The Association shall have the right to remove any such unapproved sign, advertisement, billboard or structure that is placed on said Lots, and in doing so shall not be subject to any liability for trespass or other tort in connection therewith or arising from such removal. Developer's rights contained in this Paragraph shall not expire until all homes in the Subdivision have been sold by the Builders.

Section 12. Use of Temporary Structures. No structure of a temporary character, mobile home, camper, trailer, basement, tent, shack, tool shed, storage shed, garage, barn

or other outbuilding shall be erected, moved onto any Lot and/or used at any time as a residence, nor shall any residence of a temporary character be permitted. No structure of any kind except a dwelling house may be occupied as a residence, and the outside of any building so occupied must be completed before occupancy, including landscaping. Other structures of a permanent or semi-permanent nature may be approved from time to time in accordance with the provisions of this Article IV provided however these shall not include detached storage sheds whether permanent or not. Temporary structures may be used as building or sales offices and storage sheds and for related purposes during the construction period by the Developer or its assigns and Builders.

No for sale signs may be posted on vehicles located on a Lot or on the street in front of or to the side of a Lot. No tractor trailers, buses, or other large commercial vehicles shall be parked on driveways or in streets within the Property for periods of time exceeding twelve (12) hours or for more than twenty-four (24) hours in any calendar week. The foregoing shall not apply to construction vehicles of the Developer or Builders. No on street parking of cars for periods over 24 hours in any calendar week.

In addition, each Lot Owner shall be responsible for maintaining the right of way and any Common Area between such Lot Owner's Lot and the street. Each Lot Owner agrees to abide by rules which may be established by the Association regarding specifics on maintenance of Lots and residences on the Lots as well as any requirements regarding plantings on Lots. No Lot shall be used for storage of material and equipment, except for normal residential requirements or incident to construction of improvements thereon as herein permitted. The accumulation of garbage, trash or rubbish of any kind and the burning (except as permitted by law) of any such materials is prohibited. In the event of default on the part of the Owner or Occupant of any Lot in observing the above requirements or any of them, each default continuing after ten (10) days written notice thereof, the Association may, subject to approval of its Board of Directors, enter upon said Lot, repair, maintain and restore the same, cut or prune or cause to be cut or pruned, such weeds, grass, trees and shrubbery and remove or cause to be removed, such garbage, trash and rubbish or do any other thing necessary to secure compliance with these restrictions and to place said Lot in a neat, attractive healthful and sanitary condition. In so doing, the Association or its agents shall not be subject to any liability for trespass or otherwise. All costs incurred in any such repair, maintenance, restoration, cutting, pruning or removal shall be charged against the Owner of such Lot as the personal obligation of such Owner and as a lien upon the Lot, enforceable and collectible in the same manner and to the same extent as a maintenance

assessment. Any Occupant of such Lot shall be jointly and severally liable with the Owner of the payment of such costs.

The Association shall contract with one (1) or more landscaping services to provide grass cutting, lawn maintenance, proper care for all trees, shrubbery and other landscaping, and other necessary maintenance services for the Common Areas, provision for which shall be made in the monthly or annual assessments. Such maintenance shall be at varying intervals based on the overall Maintenance Plan established by the Developer and the Association.

Section 20. Damage Destruction or Maintenance. In the event of damage or destruction to any structure located on the Property, the respective Owner thereof agrees as follows:

(a) In the event of total destruction, the Owner shall promptly clear the Lot of debris and leave the same in a neat and orderly condition. Within sixty (60) days of any insurance settlement, the Owner must commence to rebuild and reconstruct the structure. Any such rebuilding and reconstruction shall be accomplished in conformity with the plans and specifications of the original structure so destroyed, subject to any changes or modifications as approved by the Developer or the Association or Architectural Committee, as the case may be, in accordance this Article IV hereof.

(b) In the case of partial damage or destruction, the Owner shall as promptly as an insurance adjustment may be made, cause the damage or destruction to be repaired and restored in a first class condition in accordance with the plans and specifications of the original structure and in conformity with its original exterior painting and decor. Any change or alteration must be approved by the Developer or the Association, as the case may be, in accordance with Article IV hereof. In no event shall any damaged structure be left unrepaired and unrestored for in excess of sixty (60) days from the date of the insurance adjustment.

(c) If the correction of a maintenance or repair problem incurred on one Lot necessitates construction work or access on another Lot, both Owners shall have an easement on the Property of the other for the purpose of this construction. Each party shall contribute to the cost of restoration thereof equally, unless such damage was caused by the fault of an Owner, in which event the Owners shall allocate the cost of restoration in proportion to the relative fault of the parties.

Section 21. Use of Premises. Each Lot shown on the Plat shall be used only for private, single family residential purposes and not otherwise. Notwithstanding the foregoing, Developer or any Builder may maintain, as long as it owns property in or upon such portion of the Property as Developer may determine, such facilities as in its sole discretion may be necessary or convenient, including, but without limitation, offices,

storage areas, model units and signs, and houses in the development) to use, residential structures, garages or accessory buildings for sales offices and display purposes, but all rights of Developer and of any Builder acting with Developer's permission under this sentence, shall be operative and effective only during the construction and sales period within the area, and this provision may not be amended, altered or repaired without the prior consent of the Developer.

Section 22. Animals and Pets. No animals, livestock, or poultry of any kind shall be raised, bred, pastured, or maintained on any Lot, except household pets such as dogs and cats which may be kept thereon in reasonable numbers as pets (with no more than 2 pets of the same species) for the sole pleasure of the Owner or Occupant, but not for any commercial use or purpose. No animal shall be allowed to roam freely in the Subdivision and all animals must be either kept in a secure enclosure to be located on the rear of the Lot hidden from public view or in the home. All animals shall be maintained on a leash and under control at all times when not otherwise secured in the required enclosure or in the home. No Owner or Occupant shall be allowed to keep on any Lot or the Common Area any animal which causes excessive noise (including without limitation barking), odor or constitutes a danger to other persons or otherwise constitutes a nuisance. The Board of Directors of the Association shall be the sole judge using their sole discretion as to whether any animal violates the provisions hereof and any such decision may be based, among other things on the number of animals kept by a Lot Owner. Lot Owners shall be responsible for cleaning up and removing any animal waste deposited by their pets in the Common Areas, on any other Lot in the Subdivision, or on any street in the Subdivision.

Section 23. Nuisances and Unsightly Materials. No house or other structure on any Lot shall be used for any business or commercial purpose other than home office which does not require meeting the public. Each Owner or Occupant shall refrain from any act or use of his Lot which could reasonably cause embarrassment, discomfort, annoyance, or nuisance to others. No noxious, offensive, or illegal activity shall be carried on upon any Lot. No motorcycle, motorbike, motor scooter, go cart, or any other unlicensed motorized vehicle shall be permitted to be operated on or in the Common Areas. No Lot shall be used, in whole or in part, for the storage of rubbish of any character whatsoever, nor shall any substance, thing, or material be kept upon any Lot which will emit foul or noxious odors or which will cause any noise that will or might disturb the peace and quiet of the Owners or Occupants of surrounding Lots or property. The foregoing shall not be construed to prohibit the temporary deposits of trash and other debris for pick-up by garbage and trash removal service units. The Board of Directors of the Association shall be the sole judge using its sole discretion in determining any violation of any provision contained in this Declaration.

Section 24. Hobbies and Activities. The pursuit of any inherently dangerous activity or hobby, including, without limitation, the assembly and disassembly of motor vehicles or other mechanical devices, the shooting of firearms, fireworks, or pyrotechnic devices of any type or size, the use of bows and arrows and other such activities shall not be pursued or

undertaken on any part of any Lot or upon the Common Areas without the consent of the Association.

Section 25. Visual Obstruction at the Intersection of Public Streets. No object or thing which obstructs sight lines at elevations between two (2) feet and six (6) feet above the surface of the streets shall be placed, planted or permitted to remain on any corner Lot within the triangular area formed by the curb lines of the street involved and a line running from curb line to curb line at points twenty-five (25) feet from the junction of the street curb lines. The same limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway. This section does not apply to fences constructed by the Developer for purposes of sales or marketing and Davidson County ordinances for sight line distances shall apply.

Section 26. Governmental Restrictions. Each Owner shall observe all governmental building codes, health regulations, zoning restrictions, and other regulations applicable to his Lot. In the event of any conflict between any provision of any such governmental code, regulation, or restriction and any provisions of this Declaration, the more restrictive provision shall apply.

Section 27. Roads. It shall be obligatory upon all owners of the Lots in this Subdivision to consult with Davidson County before any driveways, culverts, other structures or grading are constructed within the limits of any dedicated roadway, and such placement or construction shall be done in accordance with the requirements of Davidson County applying to the roads within the Subdivision in order that the roads or streets within the Subdivision which would be affected by such placement or construction may not be disqualified for acceptance by Davidson County into the public road system.

Section 28. Easement for Roads. The right is expressly reserved to the Developer and Owners, their representatives, heirs, successors and assigns, to construct all streets, roads, alleys, or other public ways as now, or hereafter may be, shown on the Plat(s), at such grades or elevation as they, in their sole discretion, may deem proper; and, for the purpose of constructing such streets, roads, alleys or public ways, they additionally, shall have an easement, not exceeding ten (10) feet in width, upon and along each adjoining Lot, for the construction of properly banked slopes in accordance with the specifications of the government body or agency having jurisdiction over the construction of public roads; and no Owner of any Lot shall have any right of action or claim for damages against anyone on account of the grade of elevation at which such road, street, alley or public way may hereafter be constructed, or on account of the bank slopes constructed within the limits of the said ten (10) foot easement.

Section 29. Minimum Square Footages. The minimum square footage for residences shall be 1,500 square feet. For purposes of calculating square footage

contained in a residence, the square footage calculation shall include only heated, finished living space. At a minimum, front exteriors of residences shall be 3-sides brick. Siding shall be permitted on side and rear exteriors from the top of foundation and in all gable areas and porches. Exterior materials for foundations shall be either brick veneer or any other material as approved by the Architectural Committee. Exposed concrete block foundations are prohibited.

Section 30. Use of Common Areas and Amenities. The Association may publish regulations from time to time governing the use of all of the Common Areas including all amenities located thereon. Such regulations may be enforced in the same manner as the provisions of this Declaration. No Lot Owner shall be allowed to make improvements on any portion of the Common Areas.

Section 31. Erosion Control and Lot Maintenance. During and throughout construction, as well as after completion of a residence, the Builder or Lot Owner shall take such action as may be reasonably required: (a) to control, inhibit, and prevent land erosion and the sedimentation of streams and ponds from erosion, and (b) to keep such site in a neat and attractive condition free from trash and debris. If a Builder or Owner does not maintain a site as herein provided, then the Developer or the Association may, after reasonable notice to Builder or Owner, have the required work done and the cost thus incurred shall be paid by the Builder or Owner upon demand. The Developer and the Association shall have the right of entry upon each Lot as necessary to perform such work or cause such work to be performed.

Section 32. Storage of Building Materials. No lumber, brick, stone, block or other building materials shall be stored on any Lot except for building purposes for that particular Lot or by a Builder as a central storage structure, and then only for such time as is reasonably necessary for a diligent completion of the project.

Section 33. Drainage. No Lot Owner shall place fill on any lot or place fences, trees, or landscaping in such a location or position that will interfere with the existing drainage on or from other Lots or the Common Areas.

Section 34. Curb Cuts and Damage. Any Builder or Owner who makes a curb cut or damages any Common Areas shall be responsible for repairing same at his sole expense and at the direction and to the satisfaction of the Developer or the Association. Builder or Owner shall reimburse Developer for the cost of any such repairs if Developer repairs damages.

Section 35. Excavation and Fill. No Owner or Builder shall excavate or extract earth from any Lot for any business or commercial purpose. Proposed elevation changes on a Lot shall be included with the plan submitted to the Architectural Committee prior to commencement of construction. Changes which adversely affect the surface grade of

adjacent or surrounding Lots or the storm water drainage plan will not be permitted. Substantial quantities of fill brought to any Lot during construction shall be subject to prior approval by the Developer or Association for stability and effect on adjacent Lots.

Section 36. Driveways and Parking. All driveways and parking areas shall be paved with broom finished concrete as designated by the Developer.

Section 37. Trails. Trails in the Common Area will be constructed of such materials as designated by the Developer.

Section 38. Landscaping. The front elevation of each residence in the Subdivision shall be landscaped with shrubs, bushes, trees or other plantings so as to provide cover at grade across the front of the home. In addition, all Lots should be strawed and seeded. Front yards shall be sodded. All plantings and landscaping and seeding shall be completed prior to occupancy of the residence, weather permitting. Each Lot Owner shall be responsible for maintaining shrubbery or other plantings on their Lot and keeping same properly trimmed and shall be responsible for replacing any such shrubbery or plantings if any such plantings die.

Section 39. Front Porches. No front porch on any residence shall be enclosed in any way either screened in or glassed in or otherwise walled in. The materials which may be used for front porch railings shall be consistent with the architecture of the house and approved by the architectural committee.

Section 40. Mailboxes. Mailboxes shall be uniform in nature and shall be as approved by the Architectural Committee.

Section 41. Rules and Regulations. The Association shall have the right to pass rules and regulations governing additional aspects of and imposing additional restrictions on the use and maintenance of the Lots and use of and maintenance of Common Areas. Said rules and regulations may include (without limitation) the right to make additional special assessments against specific lot owners as a result of a Lot Owner's (or any agent or invitee of a Lot Owner) violation of any of the terms of this Declaration or of any rules or regulations promulgated hereunder. Any and all assessments made pursuant to the rules and regulations shall be deemed assessments properly made pursuant to the terms of this Declaration and may be collected by the Association in accordance with the provisions as contained herein. In addition, the Rules and Regulations may include (without limitation) restrictions and rules regarding any and all aspects of the use of the Lots and residences thereon as well as the Common Areas regarding any matter which the Association believes should be regulated in order to preserve the desirability and attractiveness and/or provide for maintenance of the Development if the Association reasonably determines that such rules and regulations shall benefit the overall Development. Specifically, and without limiting any additional matters which may be addressed in the Rules and Regulations, the

Rules and Regulations may regulate Lawn Art, lighting, neon signs, interior window coverings that are visible from the street, and holiday decorations. In addition, the Board of Directors of the Association shall have the power to set, assess, and collect fines from Lot Owners for violations of this Declaration or any Rules of the Association. Tasteful landscaping is encouraged including attractive ornamentation which does not create a nuisance to other Lot Owners. The Association reserves the right to require any Lot Owner to remove any landscaping and or Lawn Art which the Association deems to be unattractive or a nuisance to other Lot Owners.

ARTICLE V **INSURANCE**

Section 1. Common Area. The Association shall keep in force and maintain such hazard, public liability, or other insurance as it shall deem necessary relating to the Common Area and any amenities located thereon. The Association may also insure any other property, whether real or personal, owned by it, against such hazards as may be deemed desirable by the Association. Premiums for all insurance carried by the Association shall be part of the expenses covered by the annual assessments of the Association.

Section 2. Lots. Insurance against damage by fire or other casualty to the improvements on any Lot, liability insurance with respect to occurrences on any Lot, and other insurance relating to each Lot, shall be the responsibility of the individual Lot Owners.

Section 3. Fidelity Bonds. At the discretion of the Board of Directors of the Association, blanket fidelity bonds will be maintained by the Association for all officers, directors, trustees, and employees of the Association handling, or responsible for, the funds of or administered by the Association. Further, in the event the Association delegates some or all of the responsibility for the handling of funds to a management agent, a blanket fidelity bond will be required for officers, employees, and agents of such management agent handling, or responsible for, the funds of or administered on behalf of the Association.

(b) The total amount of fidelity bond coverage shall be based upon the best judgment of the officers of the Association and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association or the management agent, as the case may be, at any given time during the term of each bond. However, in no event may the aggregate amount of such bond be less than a sum equal to three (3) month's aggregate assessment on all Lots plus reserve funds.

(c) All such fidelity bonds shall:

- (i) Name the Association as an obligee;
- (ii) Contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees" or similar terms or expressions; and
- (iii) Shall provide that they may not be canceled or substantially modified (including cancellation for non-payment of premium) without at least ten (10) days' prior written notice to the Association.

(d) Premiums on all such fidelity bonds (except premiums on fidelity bonds maintained by a management agent for its officers, employees, and agents) shall be paid by the Association as a common expense.

Section 4. Other Insurance. The Association may also obtain such other insurance as the Board of Directors deems desirable, in such amounts, from such sources and in such forms as it seems desirable, insuring the Common Area owned and maintained by the Association and insuring each member of the Board and officer of the Association, and each member of any committee appointed pursuant to the Bylaws of the Association, from liability arising from the fact that said person is or was a director or officer of the Association, or a member of such a committee. The premiums for such insurance and bonds shall be a common expense of the Association.

Unpaid officers and Directors of the Association shall not be liable to any Lot Owner for any act or omission unless the act or omission constitutes gross negligence or willful misconduct. If an unpaid Director or officer of any of the Associations prevails in any legal action brought against him in his official capacity by a Lot Owner, that Lot Owner shall pay the Director or officer all his reasonable legal fees.

ARTICLE VI EASEMENTS

Easements. In addition to, and without limitation of, any other easements or rights reserved elsewhere in this Declaration, the following rights and easements are hereby reserved:

1. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on any Plat and as otherwise shown by the public records. Within these easements, no structure, planting, or other materials shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area of each Lot and

all improvements in it shall be maintained continuously by the Lot Owner, except for those improvements for which a public authority or utility company is responsible. In the event any Lot Owner or Builder damages or alters any improvements or otherwise alters the flow of drainage as designed for the Subdivision, then such Lot Owner or Builder shall be responsible for repairing any such damage or make any corrections necessary in order to restore normal drainage in accordance with the drainage design for the Subdivision.

2. Easements are reserved as shown on any plat and as otherwise shown by the public records for the purpose of permitting any and all utilities, including without limitation underground wires or cables, water, sewer, and drainage.
3. Each Lot Owner shall grant such easements upon his Lot as are necessary to serve the Property for water, sewer, drainage, telephone, gas, electricity and other utilities, and the erection and maintenance of the necessary poles and other equipment, wires and conduits, sewer and water lines, drainage facilities on, above or below any Lot; provided, however, no Lot Owner shall be required to grant any easement which would unreasonably interfere with the use and enjoyment of his Lot or House and any easement granted hereby shall impose on the grantee of said easement the obligation to (a) maintain said easement so that the use thereof will not interfere with the use and enjoyment of any Lot or House and (b) repair and restore that portion of any Lot upon which the easement is located to its original condition or as near as possible to its original condition.
4. Until completion of Developer's intended development of the Property, an easement is reserved to the Developer for ingress and egress generally across the Property, including any Lot, at reasonable places, for the purpose of completing Developer's intended development of the Property, provided that said easement shall be reasonable and shall not interfere with the construction of improvements on a Lot nor the use and enjoyment of a Lot by a Lot Owner. Developer and the Association also reserves any and all easements reasonably required to allow completion, repair and maintenance of any and all utility areas, or improvements.
5. Until completion of Developer's intended development of the Property, an easement is reserved to the Developer to enter the Common Area and to maintain thereon such facilities and perform such operations as in the sole opinion of the Developer may be reasonably required, convenient or incidental to the intended development of the Property by the Developer.
6. An easement is granted and reserved to the Association, its officers, agents, employees, including employees of any management company having a contract with the Association, over and upon the Common Area to perform the duties of maintenance and repair of the Common Area, to maintain any utilities for which an

easement has been granted, and to prevent damage to the Common Area or any Lot or House situated thereon. In addition, the Association shall have the authority to grant easements over the Common Areas for such purposes as may be determined by the Association which do not unreasonably interfere with the Lot Owners use of the Common Areas.

7. In accordance with the specifications of the governmental body or agency having jurisdiction over the construction of public roads, the right is expressly reserved to the Developer, to construct all streets, roads, alleys (including any and all utility or drainage facilities), or other public ways as now, or hereafter, may be shown on any Plat at such grades or elevations as Developer, in its sole discretion, may deem proper; and for the purpose of constructing such streets, roads, alleys or public ways, Developer additionally shall have an easement, not exceeding ten (10) feet in width, upon and along each adjoining Lot, for the construction of proper bank slopes and no Lot Owner shall have any right of action or claim for damages against any one on account of the grade or elevation at which such road, street, alley or public way may hereafter be constructed, or on account of the bank slopes constructed within the limits of the said ten (10) foot easement.
8. The Developer reserves the right to build the entrance sign(s) at the entrance(s) for the Subdivision. Once constructed, the entrance sign shall become the property of the Association. The Developer reserves all rights of ingress and egress onto said Common Area as may be necessary to construct said entrance sign.

ARTICLE VII

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Lot Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association, or by any Lot Owner, to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidity of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Duration and Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of forty (40) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of those

Owners then owning the Lots has been recorded prior to the expiration of said 30-year period or any said 10-year period, as the case may be, agreeing to terminate said covenants or to modify said covenants in whole or in part for the next 10-year period. Except as provided below, the provisions of this Declaration may be amended by Developer, without joinder of the Owner of any Lot, for a period of five (5) years from the date of recordation of this instrument. Thereafter, this Declaration may be amended by the affirmative vote of at least three-fourths (3/4ths) of the votes of the Owners. No such amendment shall become effective until the instrument evidencing such change has been filed of record signed by the required number of Lot Owners. Notwithstanding the foregoing, the Owners of the Lots shall have no right to amend the provisions under this Declaration concerning the right of Developer to subject certain additional property to these restrictions or reasons contained in Section 9 without the prior written consent of Developer. In addition, notwithstanding anything to the contrary contained herein, Developer reserves the right to file any amendments that may be necessary to correct clerical or typographical errors in this Declaration, and to make any amendments that may be necessary to conform the Declaration with regulations of the Federal Home Loan Mortgage Corporation, Federal Housing Administration, the Veterans Administration or other applicable regulations that may be necessary to assure lender approval of the Subdivision. For so long as the Developer maintains ownership of any Lots, any amendments which would provide the annexation of additional properties, the merger of the Subdivision with any other similar project or the consolidation of the Subdivision with such similar project, the mortgaging of Common Areas, the dedication of Common Areas, or the dissolution or amendment of the provisions of this Declaration, shall require the prior written approval of the Veterans Administration or the Federal Housing Administration, if such approval is required by said agencies as a condition to making loans on homes constructed in the Subdivision.. However, such approval shall not be required in order to subject the Property described in Section 9 below to this Declaration.

Section 4. Appointment of Successor Developer; Resignation of Developer. Developer reserves the right to assign its rights as Developer to any other person as to all or any portion of the Property by written instrument specifically setting out such assignment and any such assignee shall become the Developer hereunder upon such assignment with respect to the portion of the Property so assigned. Developer shall have the right at any time upon sixty (60) days written notice to the Association to resign as Developer of the Subdivision and shall thereafter be freed from any and all obligations imposed upon Developer upon the effective date of such resignation. Any representatives of Developer on the Association's Board may also resign at any time upon written notice to the Association.

Section 5. Headings and Binding Effect. Headings are inserted only for convenience and are in no way to be construed as defining, limiting, extending or otherwise modifying or adding to the particular paragraphs to which they refer. The covenants, agreements and rights set forth herein shall be binding upon and inure to the benefit of the

respective heirs, executors, successors and assigns of the Developer and all persons claiming by, through or under Developer.

Section 6. Unintentional Violation of Restrictions. In the event of unintentional violation of any of the foregoing restrictions with respect to any Lot, the Developer or its successors reserves the right, but shall have no obligation, (by and with the mutual written consent of the Owner or Owners of such Lot) to change, amend, or release any of the foregoing restrictions as the same may apply to that particular Lot.

Section 7. Books and Records. The books and records of the Association shall, during reasonable business hours, be subject to inspection by any member upon five (5) days written prior notice. The charter, bylaws of the Association and this Declaration shall be available for inspection by any member at the principal office of the Association where copies may be purchased at a reasonable cost.

Section 8. Conflicts. In the event of any conflict between the provisions of this Declaration and the bylaws of the Association, the provisions of this Declaration shall control.

Section 9. Developer's Right To Add Additional Property To The Subdivision. Developer and its successors and assigns, reserves the right to add additional acres of land to the terms of this Declaration by means of a supplemental declaration to be signed by Developer or its successors and assigns and recorded in the Davidson County Register of Deed's Office. The additional property shall be in addition to the property described above but must be near the Property or the additional property described above. Upon the addition of any such additional property, all Lot Owners within such property shall have the same rights and obligations as all other Lot Owners in the Subdivision effective with the date of recordation of the Supplemental Declaration adding such additional property to the Subdivision.
